

Memorial Francesco Colombo
SEPTEMBER 3-6, 2026

PROGRAM AND DETAILS

WHAT IS QUEEN TROPHY

The Queen Trophy is an Adventouring journey through the heart of central Italy, where the passion for riding meets the spirit of discovery. A route through breathtaking landscapes and roads waiting to be explored, leading to the most authentic and hidden places of the central Apennines. An experience that combines the joy of riding, the curiosity for local culinary traditions, and the pleasure of sharing the adventure in a warm and welcoming atmosphere.

OUR TRACKS

STANDARD – Beautiful and flowing routes on dirt roads about 40-50%, requiring some off-road riding experience and a few practice rides on unpaved roads. We will aim for a fairly simple track that is never boring, suitable for heavy motorcycles.

ADVANCED and EXPERT routes are more suitable for riders experienced in off-road riding on rough terrain. **ADVANCED** is for those who frequently ride off-road, while **EXPERT** is for riders with mature enduro riding skills and techniques.

Do not overestimate your abilities; choose the route that best matches your skills. You will still be able to switch to a less challenging route or, if you feel confident, to a more demanding one.

WHAT'S NEW

RIDING FROM DAWN TO DUSK: scheduled for Saturday, this day will be a true crescendo of emotions and altitude: we will start at night by the headlight, surrounded by nature, to climb mountains that gradually reveal ever more spectacular panoramas, filled with breathtaking emotions, until we conclude the adventure at the summit of a mountain, where we can admire a unique sunrise that will make us feel like masters of the world.

SUNDAY, end-of-journey lunch: at 1:30 PM, we will all gather to share stories, smiles, and the emotions experienced along the route. The lunch will take place in Bevagna, where we started, and where we can enjoy the most authentic and delicious dishes of the regional tradition.

BIKE RENTAL

This year, it will also be possible to participate in the event by renting one of the 10 Kove motorcycles available, including the Kove 800 X Pro and Kove 450 Rally.

ALLOWED MOTORCYCLES

According to FMI regulations, participation is allowed only with off-road motorcycles with a curb weight of more than 150 kg. **EXCEPTIONS TO PARTICIPATE WITH LIGHTER MOTORCYCLES** are:

- **Women** with any off-road motorcycle
- **Men** over 65 years old, with any off-road motorcycle
- **Motorcycles** registered in the historical register, over 20/30 years old, of any type

TIRES

ONLY PARTICIPATION WITH KNOBBY TIRES IS ALLOWED, and they will be checked before departure.
We suggest METZELER Karoo 4 and Karoo Extreme, MC360 mid hard m+s" or similar.

SAFETY

To ensure maximum safety, during the 2026 edition every participant will be equipped with a GPS transponder, mandatory for the start. This system allows real-time tracking of the route even in areas without phone signal, enabling the organization to locate you and respond quickly in case of need or emergency.

The transponder will act as your “guardian angel”: a direct link to the control station, where the staff will constantly monitor your position. At any time, you can request assistance or communicate any needs, knowing that someone is always watching over your journey.

Prohibited actions that will result in immediate disqualification from the event:

- It is forbidden to ride the motorcycle on meadows or on routes other than those indicated on the GPS tracks.
- It is forbidden to exceed the speed limits set by the authorities that grant us passage through protected areas, as indicated on the tracks.
- It is forbidden to travel at speeds exceeding 40 km/h in populated areas, near houses, near pedestrians or cyclists, or near animals.
